

# Fishing level 1

The whole family went to Grange beach so that Emily and Monique could earn their Level 1 Fishing badge. Monique lost interest a bit and that was ok but Emily tried really hard. In the end

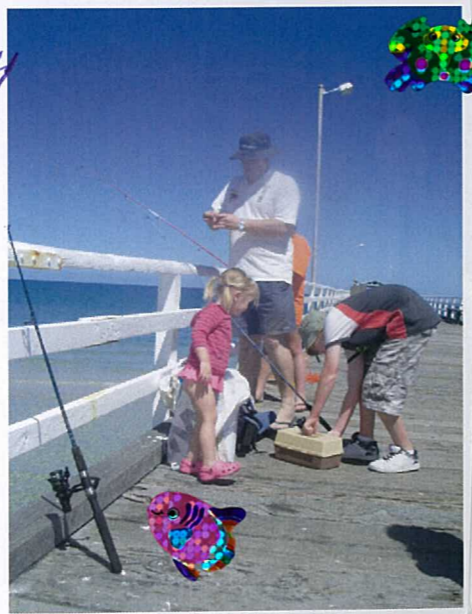

only Bradley caught fish but all the kids held them. I hadn't been fishing since I was a young girl and it

was great that we all went as a family. Brad lived by his Scout promise by

lending his rod to a little boy who had never fished before and he managed to catch his first fish! What a great family

we caught a Tommy Ruff & a garfish

10th Feb '08

we found heaps of starfishes at Grange beach they were huge
